

House of Cool is looking to grow our storyboard team!

Position: Story Artist

Term: Full Time, Employee

Start Date: Feb 3, 2020

#### **About Us!**

House of Cool is the leading studio in animation for Pre-Production throughout the world. Together with our clients, the House of Cool team has worked to design stories and craft some of the worlds coolest Animated Series and Feature Films such as the up coming productions: *Spies in Disguise* (Disney/Fox) and *Maya and the Three* (Netflix). House of Cool has also worked on *Next Gen* (Netflix), *Ferdinand* (Fox), *The Book of Life* (Fox), *Rio 1 & 2* (Fox) and many more productions!

Our Mission is to bring families and audiences together through the development of unforgettable animated characters in feature films and series. We look to achieve this through our creative and professional talents that make up the growing family at House of Cool. We pride ourselves in being an equal opportunity employer providing training and workshops to develop skills and values necessary for artists to thrive in our dynamic and awesome industry.
